

WEIDEMANN

designed for work

Product data sheet

Show blanket 155 cm

Article number: 19550575 - PU 1

A perfect look in the stable

This Weidemann show rug guarantees a smart and presentable appearance. The black fabric looks crisp and elegant, the light-coloured trim provides a striking contrast, and the Weidemann logo is discreetly visible without being obtrusive. Thanks to its soft finish, the rug feels comfortable against the horse's coat and makes a great impression when you want it to look not only practical but also stylish.

Textil Material

100% Polyester
