Product data sheet

Jacket Men's Mix-and-Match HAKRO®

Article number: 19572949 - PU 1

Flexible in all weathers

This men's layered jacket is designed for changeable conditions and offers you just the right protection when you need it. On the outside, it protects against wind and rain, whilst on the inside, the lightweight insulated jacket ensures cosy warmth. Both jackets can be worn comfortably one over the other, making this a particularly versatile solution for everyday use.

Please note: No zip-in system

Textil Material

100 % Polyester
