Vest Softshell motion Men STRAUSS®

Article number: 19572952 - PU 1

Keeps you warm around the torso, yet flexible in action

This men's softshell vest is a practical solution for chilly days when protection, comfort and freedom of movement are essential. It keeps your torso comfortably warm without restricting your movements at work, and impresses with its weather-resistant properties and functional pockets. This makes it ideal for everyday work and comfortable to wear.

Textil Material

100 % Polyester
