designed for work

Product data sheet

Jacket Softshell motion Men STRAUSS®

Article number: 19572984 - PU 1

Your reliable companion in all kinds of weather
The windproof and water-repellent fabric reliably protects you from wind and weather, while its high breathability ensures a comfortable body temperature. With practical details like the removable hood, numerous closable pockets for tools or a smartphone, and reinforced sections, it's the ideal companion for your daily routine on the farm or construction site.

Textil Material

100 % Polyester
