Article number: 19572992 - PU 1

**Stay light on your feet all day long**

**This microfleece jacket is perfect for days when it's a bit nippy outside but you still want to stay light on your feet. It keeps warmth close to your body, protects against draughts and is comfortably soft to wear. Zipped pockets and large inside pockets neatly store all your essentials. A jacket that's just right for everyday wear.**
