designed for work

Product data sheet

Jacket Functional fleece dryplexx® Men STRAUSS®

Article number: 19572994 - PU 1

Made for the outdoors

This technical fleece jacket is perfect for days when wind, weather and outdoor activity come together. It keeps the elements at bay whilst staying cosy on the inside, and remains comfortable even when you're out and about for longer periods. Zipped pockets keep your essentials safely in place. A jacket that performs reliably in the field.

Textil Material

100 % Polyester
