designed for work

Product data sheet

Trousers active Men STRAUSS®

Article number: 19572995 - PU 1

Fits perfectly and moves with you

These trousers are made for long working days when you need to be able to rely on your clothing. The waistband gives way, the knees move with you, and essentials can be stowed away quickly. This means everything stays where it should during use, without the trousers adding unnecessary bulk. A solid choice for every day.

Textil Material

65 % Polyester, 35 % Baumwolle
