

WEIDEMANN
designed for work

Product data sheet

USB-Stick Motif 3090T, 64 GB

Article number: 19800013 - PU 1

Weidemann on the go

A USB stick that not only stores data, but also showcases Weidemann. The Weidemann design featuring the 3090T telescopic wheel loader really catches the eye, feels comfortable in the hand and, with 64 GB of storage and reliable data transfer, offers real practical value in everyday use. This way, you can share files whilst clearly showing what you stand for.
