

WEIDEMANN

designed for work

Product data sheet

Bath towel

Article number: 19800047 - PU 1

Red, for a dry finish

Soft, crisp, always to hand. Whether at the lake, at the outdoor pool or after a shower: unfold it, dry off, then throw it back over your shoulder. The terry towel absorbs moisture well and, with its Weidemann logo in relief weave, clearly shows which brand is right for you.
