Leather key ring

Article number: 19800062 - PU 1

A little piece of the Allgäu

This leather key ring from Weidemann adds a simple, sturdy touch to your bunch of keys. The brown cowhide leather feels pleasant to the touch, sits comfortably in the hand and is just as suitable for everyday use as it is when you're out and about. Made in Germany from leather sourced from the Allgäu region, it's perfect for anyone who appreciates high-quality materials and authentic details.
